## ONE THOUSAND

Wheeling and Pan Handle Republicans will go to Canton.

## SATURDAY'S TRIP IS ARRANGED

By the Committee of the Ohio County Republican Club—Cleveland, Lorain & Wheeling Road Selected—Tickets to be Placed on Sale To-morrow—A Band to Accompany the Party—Mr. Atkinson will introduce the Delegation.

Hon. William McKinley, Canton, Ohio. The Ohio County Republican Club, of Wheeling, will go to Canton on Saturday, June 20, one thousand strong, to congratulate you and your administration for President. JOHN W. KINDELBERGER, Secretary.

The above is a copy of a telegram sent to Major McKinley last night.

It was a result of the meeting of the committee of the Ohio County Republican Club, named last week, which has in hand the proposed pilgrimage of Wheeling and Pan-Handle Republicans to Canton next Saturday. The committee met in City Clerk Dannenberg's office in the city building. Representatives of the three railroads on which Canton can be reached from Wheeling, were present, as follows: Cleveland, Lorain & Wheeling, A. P. Oxtoby; Wheeling & Lake Erie, O. R. Wood; Pennsylvania lines, John G. Tomlinson. Messrs. Tomlinson and Wood were unable to make a proposition to the committee because they had not heard from their general passenger agents. Mr. Oxtoby, however, made a proposition which was accepted. He names a round trip rate of \$1.50, which is quite satisfactory to the committee.

The train will leave the Terminal station at 2 o'clock Saturday afternoon, and will go through to Canton without stops. At Justice, the Cleveland, Lorain & Wheeling line will be left, and the train switched to the tracks of the Cleveland, Canton & Southern road, over which the train will proceed to Canton.

Tickets will be issued to-night and placed on sale to-morrow morning at the following places:

Intelligencer counting rooms.

Terminal passenger station.

City receiver's office, city building.

In addition, the members of the committee will have tickets for sale, as follows: D. W. Martin, Bently Jones, W. H. Muegge, Joseph H. Freese, John W. Kindelberger.

The club will take a band to Canton and enough noise will be made to let the Cantonians know that somebody is in town. The train will arrive in Canton about 5 o'clock. Headed by the band the West Virginians will march to Governor McKinley's home, where the delegation will be introduced by Hon. G. W. Atkinson, of this city. Major McKinley will no doubt make a short speech.

After the demonstration by the West Virginians at Major McKinley's home they will have an opportunity to spend a few hours pleasantly in Canton, as the train will not leave on the return to Wheeling until 9 o'clock. The return trip will be made in about three hours. It is estimated that from 500 to 1,000 Wheeling and Pan-Handle Republicans will make the Canton pilgrimage next Saturday. Intense interest is being taken in the arrangements for the trip, and if the weather is good a great crowd will surely make the trip.
